## what is grouplink?

GroupLink is a two-hour event where you will meet and connect with others in your area of town and stage of life to start a community group. Community groups are small groups of approximately six married couples or six individuals of the same gender that meet weekly in someone's home for fellowship, Bible study, and prayer. They are for adults of all ages, stages of life, and spiritual maturity.

***GroupLink is the primary way to get connected into a group. At GroupLink, we don't place you in a group — you choose your own.***

**GroupLink Event: Sunday, August 14, 2011 at 5:00 p. m.  
Registration will begin 15 minutes before the  
start of the event. Appetizers will be served.**

## community group descriptions

### **married couples**

Community groups comprised of married couples in the same stage of life and area of town.

### **women**

Community groups comprised of women of all ages and stages of life (single, married, divorced, or widowed). Women's community groups have the option to meet in the morning or evening.

### **men**

Community groups comprised of men of all ages and stages of life (single, married, divorced, or widowed). Men's community groups have the option to meet in the morning or evening.

We ask you to initially commit to meet with your group for eight weeks. You will spend that time getting to know each other and doing a short Bible study. At the end of the eight weeks, you can choose to continue with your group, or we will help you find another one. To sign up for the next GroupLink, please fill out the attached card and turn it in to a host team member as you leave, or drop it by the GroupLink table in the lobby.
